## Public Information Sessions

**NOVEMBER 2020, REPORT**

# Summary

Woodfibre LNG held a series of one-hour long virtual public information sessions in November, 2020. The events provided an opportunity for Woodfibre staff to engage with the Squamish community and answer any questions they had about the project or the LNG industry.

Andrew Brown gave a presentation on the history and future of the LNG industry.

David Keane provided a project update and a look ahead to 2021.

Presentation time lasted approximately 30 minutes. The remainder of the time was used for a Q&A.

Staff sitting on the panel:

- David Keane, President of WLNG
- Andrew Brown, Head of Engineering Operations
- Catherine Palmer, Indigenous Relations
- Lawrence O'Brien, Construction Manager
- Cristian Ruilova, FST manager
